Two Buttons Aluminum Folding Walker Aluminum Folding Side Walker

Item No.: HCA0301

1" or 7/8" anodized aluminum tubing.
Width: 20"-24" (51-61cm).
Overall Width: 24" (61cm).
Depth: 16" (41cm).

Adjustment Height as below:
L 36"-40" (91-101cm)
M 32"-36" (81-91cm)
S 28"-32" (71-81cm)

Color: Silver, Bronze, Black.

Item No.: HCA0306

7/8" aluminum tube with the satin finish.
Height adjustable by 1" increments.

Size
Adjustable Height: 29"~33" (74~84 cm).

Color
Silver.

One Touched Aluminum Folding Walker

Item No.: HCC0301

1" or 7/8" anodized aluminum tubing.
Width: 20" (51cm).
Depth: 16" (41cm).

Adjustment Height as below:
L 36"-40" (91-101cm)
M 32"-36" (81-91cm)
S 28"-32" (71-81cm)

Color: Silver, Bronze, Black.

One Touched Aluminum Folding Walker

Item No.: HCC03010SS

7/8" aluminum tube with the satin finish.
Height adjustable by 1" increments.

Size
Adjustable Height: 29"~33" (74~84 cm).

Color
Silver.

Optional: Colorful pattern with HCC03010622, HCC0301072604.

One Touched Aluminum Folding Walker

Item No.: HCC03010XS

1" anodized aluminum tubing.
Width: 18" (46cm).
Overall Width: 19-1/2" (50cm).
Depth: 16-1/2" (42cm).

Adjustment Height as below:
XS 27"-32" (69-81cm).

Color: Silver.

Reciprocal Aluminum Folding Walker

Item No.: HCD0301

Lightweight 1" or 7/8" anodized aluminum tubing.

Size
Width: 18" (46 cm).
Depth: 17" (43 cm).

Adjustable Height
L: 36"~40" (91~101 cm).
M: 32"~36" (81~91 cm).
S: 28"~32" (71~81 cm).

Optional: Silver, Bronze, Black.

Deluxe Reciprocal Aluminum Folding Walker

Item No.: HCD0302

Lightweight 1" or 7/8" anodized aluminum tubing.

Size
Width: 18" (46 cm).
Depth: 17" (43 cm).

Adjustable Height
L: 36"~40" (91~101 cm).

S: 28"~32" (71~81 cm).

Optional: Silver, Bronze, Black, Anodized Gold.

Deluxe Reciprocal Aluminum Folding Walker

Item No.: HCD0303

Lightweight 1" or 7/8" anodized aluminum tubing.

Size
Width: 18" (46 cm).
Depth: 17" (43 cm).

Adjustable Height
L: 36"~40" (91~101 cm).
M: 32"~36" (81~91 cm).
S: 28"~32" (71~81 cm).

Optional: Silver, Bronze, Black, Anodized Blue.

Reciprocal Aluminum Folding Walker

Item No.: HCD03030SS

1" anodized aluminum tubing.
Width: 20-1/4" (51cm).
Overall Width: 23" (58cm).
Depth: 17-1/4" (44cm).

Adjustment Height as below:
SS 23"-27" (58-69cm).

Color: Satin Silver.

One Touched Aluminum Folding Walker

Item No.: HCE03010SS

1" anodized aluminum tubing.
Width: 15" (38cm).
Overall Width: 17" (43cm).
Depth: 13" (33cm).

Adjustment Height as below:
SS 25"-29" (64-74cm).

Color: Silver.

Aluminum Folding Walker Europe Type

Item No.: HCE0301

1" or 7/8" anodized aluminum tubing.
Glides have 3 points of contact for better stability.
Max Load: 882 kgs (Compression text approved).
Width: 20" (51cm).
Overall Width: 24" (61cm).
Depth: 18" (46cm).

Adjustment Height as below:
L 36"-40" (91-101cm), M 32"-36" (81-91cm), S 28"-32" (71-81cm)

Color: Silver, Bronze, Black.

Aluminum Folding Walker with Wheel and Loop Brake

Item No.: HCE03010W

1" anodized aluminum tubing with satin finish.
Caster: 5" swivel front, 7" rear with loop brake.
Width: 20" (51cm).
Overall Width: 25-1/4" (64cm).
Depth: 21-1/4" (54cm).

Adjustment Height as below:
29-1/2"~32-1/2" (75-83cm).

Color: Satin Silver.

One Touched Aluminum Folding Walker

Item No.: HCE03030SS

1" anodized aluminum tubing.
Width: 15" (38cm).
Overall Width: 17" (43cm).
Depth: 15" (38cm).

Adjustment Height as below:
SS 25"-29" (64-74cm).

Color: Silver.

Super Folding Walker with Two Buttons

Item No.: HCH0301

1" aluminum tubing with satin finish.
Width: 24" (61cm).
Adjustment Height: 32"-36" (81-91cm).
Color: Satin Silver.

Folding Walker, for a safe, convenient aid to performing daily activities, a walker can be the ideal solution.

Super Rising Star Folding Walker

Item No.: HCI0301

1" aluminum tubing with satin finish.
Width: 19" (48cm).
Depth: 18" (46cm).
Adjustment Height: 32"-36" (81-91cm).
Color: Satin Silver.

Folding Walker, for a safe, convenient aid to performing daily activities, a walker can be the ideal solution.

Aluminum Walker

Item No.: HCG0301

1" anodized aluminum tubing

Size
Width: 20" (51 cm).
Overall width: 24" (61 cm).
Depth: 18" (46 cm).
Adj. Height: 32"~36" (81~91 cm).

Color: Satin Silver.
Note: K/D assembly.

6. Like a sofa-like PU cushion and backrest, avoid sitting for too long and causing discomfort.

Bed Rail

Item No.: HCA5020

Helps assist in and out of bed.
Easy to install and fits most beds.
Security strap can be attached to the bed frame for additional stability.
K/D assembly.

E-Z Grip Bed Rail

Item No.: HCA5010

Chrome plated steel frame.
20" W with a cushioned non-slip grip.
Extends full 3 feet under the mattress.
Fits most beds.
K/D assembly.

Size
Height: 16".

E-Z Grip Bed Rail with Stabilizing Frame

Item No.: HCA5030

Chrome plated steel frame.
20"W soft cushioned non-slip grip.
Easy slide extends 35" (89 cm) under the mattress.
With stabilizing frame and strap.
K/D assembly.

Size
Adjustable Height: 17"~21" (43~53 cm).

Deluxe Adjustable Bed Rail

Item No.: HCA5060

Powder coated steel frame.
20"W with a cushioned non-slip grip.
Extend full 3 feet under the mattress.
Adjustable height fits most beds.
K/D assembly.

Size
Adjustable Handgrip Height: 13-1/2"~15-3/4" (34.5~40 cm).
Adjustable Height from bed to the ground: 17"~21-1/4" (43~54 cm).
Adjustable Overall Height: 30-1/2"~37" (77.5~94 cm).

Note: K/D Assembly (Knock-down kit).

Depth Adjustable Bed Rail

Item No.: HCBY0502

Steel frame in Chrome Plated finishes for more stability.

Size
Adjustable Depth: 25"~40" (63.5~102 cm).
Height: 16" (41 cm).

Home Style Bed Rail

Item No.: HCA5055

White powder coated steel frame.
Extend 19"(48cm) under the mattress.
K/D assembly.

Size
Adjustable Height: 16-1/2"~18-1/2" (42~47 cm).

Easy Sit-to-Stand Support Rail

Item No.: HCA5065

Made of aluminum.
Base size: 51 x 39 cm.
Height: 80 cm.
3 sections support rail.

3 or 4 Section Aluminum Blind Folding Cane with Reflector Covered

Item No.: HCA0773

Size
3 Section: 44 1/2" (112 cm) HCA0773 / 10.
4 Section: 59" (150 cm) HCA0773 / 20.

Note
High-Quality Reflector.

3 or 4 Section Aluminum Blind Folding Cane

Item No.: HCB0773

Size
3 Section: 44 1/2" (112 cm) HCB0773 / 10.
4 Section: 59" (150 cm) HCB0773 / 20.

Note
Anodized Aluminum Figure.

Deluxe Eva Walker

Item No.: HCA0399CP

Made of anodized steel tubing.
Stable walking and standing frame.
Promotes independence and enhances recuperation.

Size

Space, Padding area: 64cm x 49cm.
Height Adjustable: 97cm~107cm (38"~43") 1" increments.
Wheel bases 68cm x 53cm (27" x 21").

Adjustable Raised Toilet Seat

Item No.: HCA0905

5 support alloy brackets with vinyl caps to protect porcelain.
Height adjustable for most standard and elongated bows.
Max Load: 275 kgs (Compression Test Approved).

Flip Arm Raised Toilet Seat

Item No.: HCA8070

Helping patients with bending or sitting difficulties.
Easy to use locking clamp requires no tools and fits most toilets.
The unique design of flip-up armrests and lid more comfortable and hygiene.

HCA8040 spec.: 4".
HCA8070 spec.: 7".

The Flip Arm Raised Toilet Seat features an innovative system that safely secures the raised seat to the toilet. Simply remove the seat to clean and when the raised seat is not needed without tools. Fits most elongated and standard round toilets.

5. Like a sofa-like PU cushion and backrest, avoid sitting for too long and causing discomfort.

K/D Curved Cushion Bath Seat without Backrest

Item No.: HCHS4083

1. Features of this product:
 - Easy to uninstall and install, no additional tools are required.
 - The material of the aluminum alloy can achieve a full waterproof effect.
 - The overall volume is small and convenient for export operations.
2. The height of the tube legs can also be adjusted according to the user's preference.
3. This product can be used as a bath chair or a multi-function chair.

K/D PE Curved Cushion Bath Seat with Curved Backrest

Item No.: HCHS4251

1. Features of this product:
 - Easy to uninstall and install, no additional tools are required.
 - The material of the aluminum alloy can achieve a full waterproof effect.
 - The overall volume is small and convenient for export operations.
2. The backrest of this product can be easy to remove or installed.
3. The height of the tube legs can also be adjusted according to the user's preference.
4. This product can be used as a bath chair or a multi-function chair.

K/D Swivel Bath Bench with PU Backrest and Handrail

Item No.: HCHS4325

1. Features of this product:
 - Easy to uninstall and install, no additional tools are required.
 - The material of the aluminum alloy can achieve a full waterproof effect.
 - The overall volume is small and convenient for export operations.
2. This product can be used as a bath chair or a multi-function chair.
3. Convenient turntable design – The seat cushion can be rotated 360 degrees and has four locator points and a user-friendly armrest design.
4. By softly pressing the button, you can turn your body around, it is convenient for users to take easy action to reduce the risk of injury.
5. Like a sofa-like PU cushion and backrest, avoid sitting for too long and causing discomfort.

Bathtub Swivel PU Bath Seat with Backrest

Item No.: HCHB7060

1. Features of this product:

- Easy to uninstall and install, no additional tools are required.
 - The material of the aluminum alloy can achieve a full waterproof effect.
 - The overall volume is small and convenient for export operations.
2. The backrest of this product can be easy to remove or installed.
 3. The width can be adjusted according to the size of the user's bathtub.
 4. Convenient turntable design – The seat cushion can be rotated 360 degrees and has four locator points and a user-friendly armrest design.
 5. By softly pressing the button, you can turn your body around, it is convenient for users to take easy action to reduce the risk of injury.
 6. Like a sofa-like PU cushion and backrest, avoid sitting for too long and causing discomfort.

U-Shaped Cushion Bath Seat with PU Backrest and Double Lift up Armrest

Item No.: HCHS5143

1. Features of this product:

- Easy to uninstall and install, no additional tools are required.
 - The material of the aluminum alloy can achieve a full waterproof effect.
 - The overall volume is small and convenient for export operations.
2. The height of the tube legs can also be adjusted according to the user's preference.

Eround HealthCare is a distributor of professional Health Care and Personal Care with bases in Taiwan. Our dedicated team of people have been involved in the Healthcare industry for decades and will be more than delighted to share their expertise with you regardless of the query. This involves innovation in product design, marketing, logistics and bringing solutions to your customer. Customer service is core value of our selling proposition and honesty, integrity and delivering on our promises is our commitment.

Service

It took long hours and a lot of research to establish relationships with our suppliers and manufacturers to be able to supply our customers. We worked hard to learn our customers' needs. We also provide custom-made services to meet our customers' needs.

Meet your needs

Eround HealthCare is fully capable of accomplishing and fulfilling your high demands. We also provide additional value-added services such as product sourcing from multiple origins, news and detailed profiles of manufacturers, and their latest innovative products. With the support from our members in this industry, we are one of the leading business partners in this sector.

Label & Packaging Design

Our service includes assisting in the creation of design concepts and prototypes for labeling, packaging. We provide quality packaging and fulfillment services at the most competitive cost. Our graphic artists can help you create a product label from scratch or update your existing design. We have the experience needed to create a packaging and label design that ensures your product is found by prospective buyers.
